TBCSA
TOURISM BUSINESS COUNCIL OF SOUTH AFRICA
THE LEADING VOICE IN TOURISM

The Tourism Business Council of South Africa (TBCSA) is organising their 3rd TBCSA Tourism Leadership Conference, which will take place from 18-20 September 2024, at the Sun City Resort, North West province, South Africa.

"Why Tourism Matters"

TO OUR TOURISM STAKEHOLDERS

Coinciding with tourism month and the beginning of spring, the conference will be held under the Theme: "Why Tourism Matters". The theme of the conference aims to highlight the significant contribution of the tourism sector for South Africa's economy, not only as a stand-alone but as a sector that feeds into many other sectors that keep SA's engine going.

Attendees at the conference can expect a dynamic program featuring insightful keynote speakers, engaging discussions, and interactive sessions aimed at finding solutions to the country's tourism sector, for it to continue being sustainable and competitive.

For this to happen, the private sector, public sector, academia, and media practitioners, will come together to share knowledge and focus on how to help South Africa achieve its goal of 15.6 million arrivals by 2030.
